You can certainly check more than one of the below, but we hope that every able-bodied member in the area will **check at least one of the below ways of helping**. Please return this to the church office by August 1. To make this easier for you, and to help you get this form back to the church more quickly, a stamp is already affixed for you.

All of Consistory and all five of our major standing committees are working together with Zion UCC to provide leadership for this day. Your returning of this form will help them provide that leadership in a more efficient and organized way.
